

Horizon with custom powder coat frame | Bob's Canvas, Murieta CA

Horizon

360° Screen

Designed for 360° of interior and exterior skylight shading, as well as for mounting to existing structures for patio areas, the Horizon is a unique answer to controlling the sun's harsh U.V. rays.

Time to evolve

Horizon with custom powder coat frame | Pure Tech Window Fashion, Seattle WA

Balance and coordinate

The Horizon Frame may be only available in a white gloss finish, but many choose the upgrade of a custom powder coat frame finish to match their design.

HORIZON 360° Exterior Solar Screen

Horizon is a shade structure unlike any other. It is capable of up to 195 square feet of coverage per individual unit. Even greater coverage can be created by installing the units side by side. Bottom-up applications are possible as well as any angle of application that offers a mounting surface. The Horizon can be mounted flush or up to a 2 foot distance from the mounting surface depending on the brackets you wish to use. The bracket options available for the Horizon are L-brackets for flush mounts or stand-off brackets for mounting above the surface (min 2"-max 24").

The base Horizon comes in white only, motorized, with tracks specifically engineered for the Horizon. The Horizon's constant tensioning design will give years of maintenance free sun control. Motorized only, the Horizon is available with several motor configurations including a wired switch controlled motor or wireless remote controlled motor. Corradi offers the latest motors Somfy® and other name brands. Wireless options can be used with a sun, wind, or a sun & wind sensor to automatically operate under specific conditions. All solar screen fabrics or solid awning fabrics are available for this system. The Horizon is designed only for sun control and is not intended to protect from rain. A unique characteristic of the Horizon system is that it can be paired with certain Corradi Pergotenda® models to create ultimate overhead control over the outdoor elements in complete style.
